Mr. Williams Addresses Large Audiences Two Classes Confirmed-Programmes of Lenten Services, &c.

The spitting rain and chilly weather bad but little effect in reducing the size of the audiences which heard Mr. M. B. Williams on Sunday. He preached at the Second Baptist church in the morning on "Growth in Grace," and gave a thoughtful discourse on the nature, conditions, and effect of Christian development. The sermon was enlivened with flashes of humor and seasoned with practical good sense. The speaker's treasury of anecdote and illustration was drawn upon with happy effect. At the close of the service quite a number of persons presented themselves as candidates for baptism and church membership.

AN ADDRESS TO MEN. The Mozart Academy was packed at 3½ o'clock in the afternoon to hear Mr. Williams speak on "Scenes in the Life of a Fast Young Man." For more than an hour the gifted young preacher held his hearers' closest attention. In the "after meeting" quite a number of young men expressed a purpose by God's help to lead a better life.

Sunday night Mr. Williams held his farewell service in the Second church, and the house was crowded. The subject of the discourse was "Restoration of the Fallen," and its delivery was marked by great power. Several persons joined the church afterwards. Rev. Dr. Landrum made a few remarks commending the work of Mr. Williams, and assuring him of the sympathy and prayers of his people during the remainder of his life as a preacher of the Gospel.

Dr. E. G. Robinson, of Providence, R. L., who has been lecturing at the Richmond Theological Semnary, preached at the First church Sunday morning a sermon of great beauty.

Rev. T. P. Bell preached for Dr. Pitt at Venable-Street church Sunday morning. There were no services at night in consequence of the indisposition of the pastor. The meetings which have been in progress at the Fulton church for more than two weeks closed last night, and Rev. Percy G. Elsom, who has been preaching for Dr. Whitfield, returns to-day to his pastorate at Fincastie. There were a large number of conversions during the meeting. Confirmation at St. John's.

Bishop Randolph preached to a large congregation at St. John's Sunday morning. His text was: 1 Coranthians, iv. 3, 4.

With me it is a very small thing that I should be judged of you, or of man's judgment: yea, I judge not Mine own self, for I know nothing by Myself; yet am I not hereby justified; but he that judgeth me is the Lord. The Bishop dwelt especially upon the last clause, and drew from it the lesson that failure to realize the present, every-day judgments of God accounts for the frequent lamentable divorce of morality from religion. The sermon was illustrated by facts drawn from Scripture and secular history. It was an able, scholarly and impressive discourse. After the sermon a class of twenty-six persons was confirmed.

Rev. C. R. Kuyk preached an interesting sermon Sunday night.

The Lenten services at St. John's this week will be on Ash Wednesday at 11 A. M. and 8 P. M., and on Friday at 4 P. M. Rev. Mr. Downman will preach at St. John's on Wednesday night and Rev. Dr. Powers will preach there on Friday afternoon. Collections will be taken up at St. John's on Wednesdays and Fridays in Lent for diocesan missions.

Bishop Granbery preached two fine sermons Sunday at Union-Station. In the morning his subject was "Justification by Faith." At night he preached on "Christian Contentment." There will be revival services in this church all this week. Mr. M. B. Williams, the evangelist, will preach in this church to-night and every evening this week. He will give Bible readings at the Third Presbyterian church, beginning Wednesday at 4 P. M. All the denominations on Church Hill will unite in these meetings.

A crayer-meeting was conducted at the City Gas-works Sunday afternoon by members of the Union-Station Methodist church. Some fifteen persons asked the prayers of the Congregation. Among those taking part were Councilman Adam Diacont and Messrs. F. T. Bates, J. H. C. Walker, Joseph Sterling, Waddell, Smithers, Barrett, and others. The meeting will be continued next Sunday afternoon.

The revival which has been successfully conducted at Park-Place Methodist Episcopal church for some time past will be continued this week. Rev. P. A. Peterson will preach to-night and Rev. E. T. Dadmun next Friday night. Other ministers will begin every night at 8 o'clock sharp.

Oxancock, February 27.—The barn and stables belonging to William Barnes near here on Chesconnessex creek were destroyed by fire Thursday night of this week. The horses and vehicles were saved, but all the fodder and agricultural implements in the building were destroyed. The fire is supposed to have been the work of an incendiary. This opinion is strengthened by the strange and malicious acts of some unknown person in that neighborhood for the Weekly Mortnary Report.

MR. JOHN G. MASON, OF FREDERICKS-BURG, TAKES HIS OWN LIFE. Standing Before a Mirror He Shoots Him-

self Through the Temple-Had Made His Will-His Lite Insured. [Special telegram to the Dispatch.]

FREDERICESBURG, VA., February 29.—The community here was greatly shocked this afternoon by the announcement that John G. Mason, a prominent citizen and an able lawyer, had committed suicide at his residence, and on investigation the report was confirmed. He was first discovered by Mr. R. H. Carmichael and Mr. E. J. Smith, the former having gone to his residence about 12 o'clock to see him on business, and finding the house locked went for Mr. Smith, who, before going to the house, visited several places where he generally frequented. Not hearing anything of him, they obtained a key, and on arriving at the house unlocked the front door and went to his room, where they found the gas burning brightly and Mr. Mason lying on the floor dead.

A PISTOL SHOT.

Dr. A. C. Dorgett, the coroner, was immediately notified and a coroner's jury consisting of Messrs. A. M. Garner, W. E. Halsey, W. H. Merchant, George Wroten, L. B. Reese, and G. A. Walker were summoned, who, upon visiting the house, found the deceased lying in front of his bureau, face downward, with his right hand under him, while in the right temple was a wound. On raising the body there was clenched tightly in his right hand an old-fashioned Colt's revolver of 32-calibre with which he had committed the deed. It was in evidence from the position in which the deceased was found that he was standing before the glass when he took his life, and from the appearance of the body he had been dead for at least eight hours. He was attired in his night clothes, and it is supposed he killed himself early this morning. A PISTOL SHOT. this morning.

NO CAUSE FOR THE DEED ASSIGNED. The last person with Mr. Mason was Mr. John Scott Berry, who visited him yesterday evening about 4 o'clock. Mr. Berry in his testimony before the coroner's jury said there was nothing in Mr. Mason's action or conversation that indicated he was the least despondent or intended to take his life.

MADE HIS WILL.

Mr. Mason was also seen about 7 o'clock by the waiter at Dannehl's Hotel who carried his supper to him, and was on the streets Saturday afternoon and yesterday morning apparently in good health and with no signs of despondency. He left no paper or writing of any kind why he committed the act. His will made some time ago leaves the buik of his estate to his sister, Mrs. Lucy A. Webb, of Washington, He also has a sister living in Augusta, Ga., Mrs. Alexander.

TWICE MARRIED. TWICE MARKIED.

The deceased was 54 years of age, a son of the late Dr. Mason, of Falmouth, and was twice married, neither wife surviving him. His first wife was a Miss Boteler, of Shepherdstown, W. Va., and his second a Miss Roberta Murraugh, daughter of the late Rev. E. C. Murraugh, of this city, and by neither were there any children. Hie graduated in the law class at the University of Virginia in 1859, and first practiced law in Caroline county, afterwards in King George county, locating in this city in 1872. In 1850 he was elected Commonwealth's Attorney, and re-elected in '82, '84, and '86.

He was also a member of Maury Camp, of this city, and his remains will be interred with the honors of that Camp.

Mr. Mason was a generous, whole-souled gentleman, and his sad and untimely end is a source of sorrow to the entire community. His life was insured for \$8,000.

PREMIDENTIAL PROSPECTS.

There is not much political discussion here, but county Democrats generally express their views comprehensively. They say Cleveland was opposed to the repeal of the internal revenue tax on tobacco. He did not "turn the rascals out" fast enough. The Republicans enjoyed too much of the fruits of Democratic victory. He will never have a better showing for success than he had before and was beaten. He is handicapped by defeat. He is not popular with the soldier voters of the North, especially the pensioners. His silver views are antagonistic to southern interests, and thus they go. They think a new man from the North or West should head the ticket. Hill has audacity, has never known defeat, is a Napoleonic leader, and when he throws a Republican flat of his back he keeps him there.

The Alliance men hold their meetings regularly, but there is very little political discussion among them. They are in for crop preparations now with encouraging prospects for bountiful returns.

CHASE CITY, VA., February 29.—The account published in your splendid paper of yesterday of the experience of a Confederate officer with the "Suffering 600" requires an impertinent correction. The name of the officer was Francis Cargill Barnes, lieutenant of Company G, Fifty-sixth Virginia Regiment, not Burns as printed. To have the name of a hero "misspelt in the Gazette," as Byron wrote, is almost as bad as imprisonment.

What is Scrofula

It is that impurity in the blood, which, accumulating in the glands of the neck, produces anaightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which developes uleers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or many other manifestations usually ascribed to "humors." It is a more formidable enemy than consumption or cancer alone, for scrofula combines the worst possible features of both. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How can it be cured? By taking Hood's Sarsaparills, which, by the cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine. often when other interest and peculiar medicine for this disease. For all affections of the blood Hood's Sarsaparilla is unequalled, and some of the cures it has effected are really wonderful.
